

Did you know that thanks to Treasure Chest Bingo and Carol Abbott and her team of volunteers, this year alone ESS has received funding to support Season fees for all athletics as well as specific funding for Football, Basketball, Swimming, Wrestling, Golf and Field Hockey.

On top of all this, funding was also made possible to support May Mania and the Eagle Crew and the purchase of a new BBQ, a new Student Services TV and cameras for our Photography program.

Ernestown Secondary School is beyond grateful for this unbelievable support! Thank You!!
