EIS IN OCTOBER.....

We can't believe that it is the middle of October already! The weather has definitely become more fall like and we encourage students to dress for the weather! From participating in Cross Country, the Specialist High Skills Major Promotion to the PA day last Friday, Eagles students and staff are giving their all to this school. We are so proud of them! Heading into the second part of the term, we are ready to continue this trend of working hard. Keep up the good work, Eagles!

THE
FOOD SHARING
PROJECT

MEDICAL PLANS OF CARE

If your child has a medical condition that requires a **PLAN OF CARE** (Asthma, Anaphylaxis, Diabetes, Epilepsy), a letter will be coming home. Please fill out the plan of care and return it to the school so that we have the most up to date information regarding your child's medical condition and medication. Thank you!

FOOD SHARING PROJECT

Please consider donating to the Food Sharing Project when making payments through School Day.

ATTENTION Parents/caregivers!

Students in Ontario are required to have up-to-date immunization records submitted to Public Health. Health-care providers do not automatically send immunization records to public health units.

Submit your child's immunization record here:
kflaph.ca/ImmunizationReporting

If your child requires an immunization appointment and does not have a health-care provider visit kflaph.ca/Appointments.

FOR GRADE 7
students

PPM 128: CELL PHONES

Having personal mobile devices like cellphones present, and receiving notifications during class, creates distractions which can reduce student concentration, academic performance, and working memory. Excessive screen time can also negatively impact physical and mental health.

Students are expected to keep phones in their locker if brought to school.

Every School Day Counts

Regular attendance is directly related to academic success, personal growth, and future opportunities.

Together, let's make school attendance a priority.

DISCONNECT to RECONNECT

Help form stronger friendships by keeping phones off and away during class.
