EIS: THAT'S A WRAP ON TERM 1

We've had a busy couple of weeks here at school! Report cards went home this week, so please take a look and connect with your child's teacher if you have any questions. We continue to focus on building strong skills in literacy and numeracy, and we appreciate your support at home as we work together to help our students grow.

This past week, we held a school-wide Remembrance Day assembly. It was a special time to reflect and honor those who have served, and our students showed great respect.

Finally, a big shoutout to our volleyball teams as they head into their tournament next week. Good luck, teams—we're cheering you on!

HOT LUNCHES

We are so happy to offer hot lunch options for our EIS students.

Our first week of pizza and wraps was a big success! This coming week we will offer pizza and cheeseburgers.

PAY ATTENTION TO ATTENDANCE! IT MATTERS!

DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days a month, over the course of the school year, can affect a student's academic success.

Host an International Student with Limestone!

Victoria from Italy and Paula from Spain are ready for their first day of school in Limestone!

Have you ever considered welcoming a student from another country into your home? The Limestone DSB have a proud tradition of hosting students from other countries, and we are looking to continue this growth during the 2025-2026 school year!

Hosting an international student is a highly rewarding experience! Limestone schools host more than 120 international students each year from countries such as Brazil, Italy, China, Germany, Czech Republic, Thailand, Hong Kong, Japan, Korea, Mexico, Spain, Turkey, Vietnam, Rwanda and others. Many life-long friendships have developed out of Limestone's international student homestay program. Some students come for one semester to improve their English and experience living in a new culture; others come for a longer period to prepare for entering a Canadian college or university. International students range in age from 12 to 17 years old.

We are currently looking for host families within the Kingston area for all lengths of stay ranging from four months to two years. Participating families are compensated with a monthly stipend of \$1050/month, paid tax-free at the beginning of each month. You must have a free bedroom in your home and be prepared to have a student enter your family.
