STAFFING CHANGES AT EIS

With the arrival of the snow, we are also announcing some staffing changes for the winter term! Ms. Kimmett will be taking on the very important role of **Student Support Teacher**. Mr. Fields-Young will be filling the 7/8K classroom gap left by Ms. Kimmett. This seamless transition ensures that our students continue to receive the highest quality education and support. We are confident that these changes will positively impact our students' learning experiences. Congratulations to our volleyball teams for their exceptional performance at the LESSA tournament. Basketball is coming up!!
